REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicants have provided a terminal disclaimer, the sequence of I_kB_α in a CRF and amended the specification and claims to refer to this sequence. They have also provided a declaration that the sequence is the same as a known sequence of I_kB_α. This overcomes all of the outstanding rejections.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
